Hi Jim,
If you could take care of this training in Cam's absence, we would appreciate it. If you have any questions, call me at 617-983-6212.
Thanks,

Enclosed are the presentations for the two parts of the Annual Laboratory Safety Training update.

Please review the slides with your staff and have them complete the enclosed form and return it to Kristen Pribeck by December 15, 2004.

If you have any questions about the content please check with Garry Greer or Howard Lefkin.

Call me or Steve Ridley if you have any trouble with the files. (I will be available until 1:00 today and out until December 8)
Kristen will be back on the 12/6.
